NOTICE HUNTER SAFETY EDUCATION REGISTRANT Federal Firearms Prohibitions Advisory

Effective September 30, 1996, Congress enacted the Omnibus Consolidated Appropriations Act of 1997 entitled "the Gun Ban for Individuals Convicted of a Misdemeanor Crime of Domestic Violence," which amended the Gun Control Act of 1968. The law prohibits any person who has been convicted of a "misdemeanor crime of domestic violence" from shipping, transporting, possessing, or receiving firearms or ammunition. In addition, the law prohibits any person who is currently the subject of a court order that restrains the person from harassing, stalking, or threatening an "intimate partner" in a reasonable fear of bodily injury to the partner or child (hereinafter referred to as "domestic violence restraining order"), from shipping, transporting, possessing or receiving firearms or ammunition, except firearms or ammunition which are imported for, sold or shipped to, or issued for the use of any federal, state or local agency. This law applies to all persons, including peace officers.

Student/Parent/Guardian Agreement Form

The goal of the Michigan Hunter Education Safety program is to train knowledgeable, safe and responsible hunters. Further, the hunter education program will strive to inform all the citizens of the interrelationship between modern wildlife management and responsible/ethical hunting practices.

Hunting is a life long recreational activity, which can be enjoyed by all persons. The hunter education course is designed to provide the student those basic skills, which allow the novice hunter to participate in the sport safely and responsibly. It is a basic course and does not purport to teach the student all there is to know about hunting in Michigan or guarantee that the person will never be injured or will never injure someone else in an accident. Persons who successfully complete the course will be better prepared to hunt in Michigan.

State law requires all first time hunters, born after January 1, 1960, successfully complete a hunter education course prior to purchasing a license to hunt.

The following criteria will be used in evaluating each student for certification:

- 1) **Class attendance at all sessions.** (must attend the full 5 days unless arrangements have been made)
- 2) **Prompt attendance at class sessions.**
- 3) **Completion of all homework assignments.**
- 4) **Participation in class activities and discussions.**
- 5) **Performance on standard test.**
- 6) **Performance on the firing range/field exercise**
- 7) **Behavior in class and on range/field exercise.**

I have read the above policy and understand the requirements for successful completion of the Michigan Hunter Education course.
